SIBYLS HILFIELD WEEKEND
FRIDAY 21nd to SUNDAY 23th SEPTEMBER 2018.

“WE ARE ALL GOD’S PEOPLE”

A weekend has been booked once more at the Hilfield Franciscan Friary for the 21-23 September 2018. The anticipated theme is “We are all God’s People”. We will be joined by the Revd. Colin Coward, former director of “Changing Attitude”. Also members of the Hilfield Franciscan Community will be invited to contribute.

Paul, in Galatians 3:28 said “There is neither Jew nor Gentile, neither slave nor free, nor is there male and female, for you are all one in Christ Jesus”. There have been many advances in the recognition and acceptance of transgender people in society and in the Church, however there have also been backlashes, which include those groups who would wish to deny children the opportunity to explore their identities and other groups who may misinterpret our personal searches for identity as the pursuit of sexual misuse or for the power over women instead.

As these public perceptions and misperceptions increase these issues become of increasing concern. This purpose of this Sibyls weekend is not to create plans or agendas in response to developments in the Christian Churches but to reflect biblically and socially on Paul’s statement in Galatians 3:28. As always the primary purpose of these weekends is to meet, build friendships, relax, hear from and support each other, so plenty of time for this is provided.

What does it mean when we say “We are all God’s people”? What does it mean to simply be able to be ourselves? The validity of Same-Sex, or Equal Marriage is a topic which is causing major dissention in the Christian Church. For transgender people there are potentially life changing issues and trauma to be overcome, for both partners, when one person in a marriage transitions. In the present climate the focus is almost entirely on lesbian, gay and bisexual concerns. The challenges which transgender people face are largely ignored. We will be addressing these issues from a transgender point of view during the weekend.

As the previous years which seemed to work well, we will be self-catering for breakfast and the evening meal, and joining the Brothers for lunch

This weekend is intended for Sibyls Members only.

PLEASE APPLY TO JOIN THE SIBYLS IF YOU WISH TO ATTEND.

Transport Advice

Note from the Friary: We are happy to collect guests from local railway stations or Bus stops at mutually convenient times and ask for a £5 donation towards costs. In comparison the taxi fare from Sherborne is £20. We also have a car park at the friary and if possible we ask guests to car share to lower their carbon footprint.

If coming by train, most travellers should type in Sherborne Station to discover train times. For some it may be cheaper to come to Yetminster station on the Bristol – Weymouth line. For a very few travellers, Dorchester South Station, although the furthest of our 3 stations, it may be the best option. The friary can meet you by arrangement in advance at all 3 stations.

If you are willing and able to come closer to the friary by public transport, try Chetnole station on the Bristol Weymouth line. Google maps will give you the 4 mile walking route to us. Cyclists, there is usually room to put your bike on this train without reservation. A few people even cycle the 9 miles from Sherborne Station. There are usually unreserved bike places on off peak trains from London.

The X11 bus runs approx. every 2 hours between Sherborne Station and Dorchester South Station. Type in Minterne Magna, a village 2 ½ miles SE of the friary as the nearest bus stop on this route. We can meet you there if arranged in advance. The bus stops by the church. If you want to walk the last 2 miles over the hill, ask the driver if he can let you alight ½ m north of Minterne Magna at the Evershot sign – it is not an official stop.

There are few convenient coaches, but we do recommend Berries Buses which runs from Hammersmith in London to Yeovil Bus Station where we can meet you by arrangement in advance. www.berryscoaches.co.uk

There are also taxis at Sherborne and Dorchester South Stations and Yeovil bus station. Beaver Cabs at Sherborne 01935816620.

The last half mile to the friary from the South is a steep, narrow hill. The Google Map does not tell you there is a sign saying that it is not suitable for large vehicles. Minibuses are absolutely fine but please take note if you are bringing a large group in a 40 seater coach.
